Chief, Foreign Division H  
Attn: ☐  
Chief of Station, Vienna

Operational

Greengrocer 1

1. We noted in reviewing some Verarlberg reports that Landseer 10's report to Greengrocer 1 on the genesis of information on German officers serving in Syria did not jibe with the statement which Landseer 10 had made to ☐ and ☐ on 6 September (see NYA-766, paragraph 6) and called this fact to ☐ attention. Photocopies of the attached reports have been sent to ☐ in order to assist him to investigate this discrepancy.

2. It is recalled that early this year, possibly January or February, Greengrocer 1 provided a lengthy report on the same subject which originated with the Verarlberg unit and was, we believe, authored by Landseer 10. This was routed to Headquarters as a raw report.
